PERSONAL PROFILE

Highly motivated and results-oriented Junior Frontend Developer with diverse experience in small business development and management. Proven ability to quickly learn and absorb new information. I'm currently working as a freelancer, but I'm looking for a remote or hybrid full-time software development opportunity where I can apply my skills and gain valuable experience. Striving to constantly improve my skills, and grow as a specialist by learning new technologies, libraries, and principles of writing clean code are my main goal for employment.

KEY SKILLS

- **Programming Languages:** JavaScript, HTML, CSS
- **JavaScript libraries:** Node.js, React.js, MUI, styled components, Tailwind CSS, Redux
- **APIs:** REST
- **Database Systems:** Firebase, Mongo DB
- **Applications:** Figma, Git
- **Operating Systems:** Windows, IOS
- **Languages:** Intermediate English, Fluent in Ukrainian and Russian
